### PERFORMANCE STATEMENT

Perf. nr: WSG1001-HU

Name of the product: **World Strong Guard watertight primer**

1. Individual identifying code of the product type: **WSG1001-HU**
2. Type-, item or series number or other such element that enable identification of the construction product in accordance with content of clause 11(4).

#### **World Strong Guard watertight primer**

3. Function or functions of the construction product as established by the manufacturer, in accordance with the used engineering recipe.

**As watertight primer of World Strong Guard watertight plaster. World Strong Guard watertight insulator plaster and World Strong Guard universal watertight adhesive for freestones and decorative bricks for indoor and outdoor application.**

4. Name, registered trade name and registered trademark of the manufacturer, and also sales address in accordance with content of clause 11(5):

**World Strong Guard Kft.**  
5900 Orosháza, Gyártelep u. 13.  
www.worldstrongguard.hu

5. In a given case, the name and address of the authorised representative whose tasks are determined by clause 12 (2): none

6. System or systems, **(3) system**, shown in appendix number V that serves the measuring and controlling of the construction product's performance stability.

7. In case of manufacturer's statement regulating the harmonised standard(s) of the construction products, the name and identifying number of such authority:

The issuing organisation of National Engineering Rating:

**ÉMI Construction Quality assurance control Innovational Nonprofit Kft.** issued the following in their control carried out in system(3):  
product conformity certificate number: A-237/2014

**World Strong Guard Korlátolt Felelősségű Társaság**

Székhely, telephely: 5900 Orosháza, Gyártelep utca 13.

Telefon/fax: +36-68/410-769 Cégjegyzék szám: 0409013104 Adószám: 24989242204 KSH szám: 24989242236111304

The manufacturer verifies the production quality in the facility on an ongoing basis.

8. In case of manufacturer' statement related to construction materials for which they issued European engineering rating: **no data**

9. The performance as per statement

Basic product features	Performance	Harmonized engineering regulations
Maximum particle size, mm	2,0	MSZ EN 1015-1:1999
Loose bulk density, kg/m <sup>3</sup>	1400± 100	ÉMI method
Bulk density of fresh mortar , kg/m <sup>3</sup>	2000 ± 100	MSZ EN 1015-6:1999
Bond strength, N/mm <sup>2</sup>	1,0 – 2,6	MSZ EN 1015-12:2000
Reaction to Fire class	A1	MSZ EN 13501-1:2007 +A1:2010

10. The performance of the product determined in A-237/2014 number NMÉ 1.2. point complies with the performance shown in the statement.

The sole responsible for the issuing of this performance statement is exclusively the manufacturer (or authorised representative of this latter).

**The person signing on behalf of the manufacturer:**

Törőcsik Ferenc, World Strong Guard Kft., as company manager.

Törőcsik Ferenc  
manager
